Art Unit: 2625

1. The following is an examiner's statement of reasons for allowance: The prior art fails to teach or suggest a method and apparatus for compressing a scene graph in a multi-media presentation, the method comprising traversing the ordered graph nodes in a second direction, the second direction being a reverse of the first direction, wherein the step of traversing comprises determining, for each traversed ordered graph node that has a successive sibling node lying in the second direction, whether to insert a quantization parameter node immediately following said each traversed ordered node, each quantization parameter node being capable of affecting compression of ordered nodes lying in the first direction from said each quantization parameter node and inserting the quantization node between said each traversed ordered graph node and the successive sibling node lying in the second direction in response to the step of determining.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Claims 19-38 are allowed.

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Tan is cited because the reference teaches method and system for storing and retrieving multimedia objects by using multi-level tree structure.

Farrell et al is cited because the reference teaches system and method for simplifying and manipulating k-partite graphs.

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Yon Couso whose telephone number is (571) 272-7448. The examiner can normally be reached on Monday through Friday from 8:30 to 5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Bhavesh Mehta, can be reached on (571) 272-7453. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
